

Which Bible app do you use on your phone or tablet? In today's technological world, there is an app for practically everything. A few years ago, we could say, "there's an app for that". Today, we have to say, "there are several apps for that". There are several Bible apps available for our phones, tablets, computers, etc. So, which one is the best?

Like most things, we should really be asking: "which one is best suited for 'my' personal, unique use".

I don't pretend to be the most highly educated Bible scholar. But, think I have found what may prove to be the most useful Bible app that I have personally seen. (I tend to keep, for testing, over 600 apps on my iPhone at all times. I am confident that when I recommend an app that it is truly useful.)

The Bible app that I have come to love is available at <https://www.bible.com/app>. You can read the description below. (I copy/pasted the description from the app store.)

On a related note, as blogged about on YouVersion.com website (creators of The Bible App), check out "History of the Bible": <http://blog.youversion.com/2017/11/experience-book-shapes-history/>

Description: On more than 250 million devices around the world, people are reading, listening to, watching, and sharing the Bible using the #1 rated Bible App—completely free. Over 1,000 Bible versions, in hundreds of languages. Hundreds of Reading Plans, in over 40 languages. Add your own Verse Images, highlights, bookmarks, and public or private notes.

Customize your reading experience. Access everything when you're connected, or download specific versions for offline use.

The Bible App lets you explore the Bible with your closest friends. Share honest conversations about Scripture with a community of people you know and trust. Learn along with them as you see what they're discovering.

READ THE BIBLE

- * Set your Bible App's interface for your choice of more than 30 languages.
- * Easily select from hundreds of Bible versions, in over 775 languages.
- * Choose from popular versions like the NIV, NASB, ESV, NKJV, NLT, KJV, The Message, and more.
- * Offline Bibles: Read even without network access (available for select versions).
- * Listen to audio Bibles and enjoy all-new skip, playback speed, and timer controls. (Audio Bibles available for select versions and are not downloadable).

USE THE BIBLE WITH YOUR FRIENDS

- * Put the Bible at the center of your closest relationships with mutual friendships in the Bible App
- * See a stream of Bible activity that shows what you and your friends are noting, bookmarking, and highlighting
- * Comment to share your thoughts, ask questions, and have meaningful conversations in the app as you study God's Word together

STUDY THE BIBLE

- * Hundreds of Plans: you'll find devotionals, as well as Plans that lead you through specific topics, portions of the Bible, or even the entire Bible in a year.

- * Watch and share clips from 'The Bible' TV miniseries, the world-changing 'JESUS' film, and 'The Lumo Project.'
- * Search the Bible using keywords.

CUSTOMIZE YOUR BIBLE

- * All-new Themes let you select a color palette for your entire Bible App experience.
- * Verse Images: Turn Bible verses into shareable art.
- * Highlight with custom colors—just like a paper Bible.
- * Bookmark passages: Share, memorize, or just keep track of your favorites.
- * Share verses with friends using social networks, email, or SMS (text).
- * Add notes to passages: Keep them private so only you can see them, or make them public to share with friends.
- * With a free YouVersion account, see all of your notes, highlights, bookmarks, and reading plans on any supported device through cloud syncing.
- * Read easier with settings like fonts, text size, and contrast for bright or low-light conditions.

CONNECT WITH YOUVERSION

- * Contact support from directly inside the Bible App.
- * Like us on Facebook: <http://facebook.com/youversion>
- * Follow us on Twitter: <http://twitter.com/youversion>
- * Catch up on the latest on our blog: <http://blog.youversion.com>
- * Use YouVersion online: <http://bible.com>

Download the world's #1 Bible App now and enjoy the Bible reading experience loved by millions!
